

8. HEREFORD STREET P5 LOADING ZONE

Officer responsible City Streets Manager	Author Barry Cook, DDI 941-8938
--	---

The purpose of this report is to seek the Committee's support for the extension of an existing 'P5 Loading Zone' into the area previously occupied by a vehicle entrance on the south side of Hereford Street between Colombo Street and Manchester Street (refer attached plan).

The Hereford Street frontage to the new Asian food court 'East in the City' has seen the removal of a vehicle entrance. Currently vehicles can legally park there all day. To resolve this it is proposed to extend the existing 'P5 Loading Zone' to cover the area.
