

## 5. PICTON AVENUE – P5 LOADING ZONE

<b>Officer responsible</b> City Streets Manager	<b>Author</b> Basil Pettigrew, DDI 941-8542
--	--

The purpose of this report is to seek Board approval for the installation of a P5 Loading Zone on Picton Avenue south of Blenheim Road.

A request has been received from Jill Foster of Fosters Outdoor Power Equipment Ltd, for a P5 Loading Zone to be created outside their premises on Picton Avenue. This proposal is shown on the plan attached.

At present the kerbside parking adjacent to the business is unrestricted so all day parking occurs. The nature of the business is such that customers and couriers require a place as close as possible for pick ups and deliveries.

This proposal will help solve the current situation. The loading zone will provide short-term parking for up to three vehicles for customers and deliveries to the business.

### **Staff**

**Recommendation:** That a P5 Loading Zone be created on Picton Avenue south of Blenheim Road commencing at a point 10 m from its intersection with Blenheim Road and extending in a southerly direction for a distance of 16 metres.

### **Chairman's**

**Recommendation:** That the Officer's recommendation be adopted.
