--	---

The purpose of this report is to seek Board approval for the installation of a 60 minute parking restriction on the north side of Travis Road adjacent to the shops (see attachment).

A request has been received from six businesses in the shopping precinct for this to be installed to prevent all day parking. It is noted that there is a telephone box on the footpath adjacent to the proposed restricted parking zone. It has been observed that when permanent parkers are absent there is a high turnover of vehicles at this location.
