The purpose of this report is to obtain the Board's approval of a new road name. Road name approvals are delegated to Community Boards.

It is important that approved names will not duplicate or be similar to existing names. Council and NZ Post have checked all names submitted for duplication.

**66B St Johns Street - Mt Lyford Products Limited - Ferrymead Ward**

A subdivision creating twenty new allotments, including reserve to vest in the Council, has been approved. A plan of this subdivision is attached. A new cul de sac serves the new allotments. At the end of the cul de sac is an allotment of 568 square metres, which is to vest in the Council as reserve. This land will be added to the newly created reserve off St Judes Lane behind the subdivision. The applicant has proposed three names in order of preference for the cul de sac: Reserve Close (as the cul de sac leads to the reserve); Golden Close, and Sunshine Close. (Sunbeam and Sunrise are already in use in Christchurch)
