The purpose of this report is to request the Regulatory and Consents Committee to appoint three members of the Committee as a Subcommittee to hear submissions on the Draft Alcohol Policy, and make recommendations to the Committee.

### BACKGROUND

At its May 2003 meeting, the Council resolved to issue a discussion document for a proposed alcohol policy for the Council to be available for public consultation with a closing date for submissions of 14 July 2003.

The Council also resolved that a subcommittee of three members of the Regulatory and Consents Committee be appointed to hear submissions on the draft policy, and make recommendations to the Committee.

The Council did not make any appointments at the May Council meeting and so it is now necessary for the Committee to appoint three of its members as a subcommittee to hear submissions on the draft policy.

### Staff

**Recommendation:** That the Regulatory and Consents Committee appoint three members as a Draft Alcohol Policy Subcommittee to hear submissions on the Policy and make recommendations to the Committee.
