

16. 2003 PLANNING STATEMENT – KEY ISSUES

Officer responsible Community Advocate	Author Tony Gemmill, DDI 941-6701
--	---

The purpose of this report is to advise of feedback received from Business Units on the “key issues” identified by the Board last year, and to advise of the next steps in consideration of the issues raised.

A copy of the key issues, and the Business Unit comments, is **attached** in tabulated form with this agenda.

The next steps provide for presentation of all Boards issues to the relevant Standing Committees for consideration in the annual planning (and long term planning) round commencing in February.

Staff

Recommendation: That the information be received and, if appropriate, noted for further consideration as part of the submission process on the Council's Long Term Council Community Plan.

Chairman's

Recommendation: That the above recommendation be adopted.
