The purpose of this report is to request the Riccarton/Wigram Community Board approve for installation the proposed parking restriction in Springs Road outside the Amyes Road dairy.

BACKGROUND

The Riccarton/Wigram Community Board and the Council's Sustainable Transport and Utilities Committee approved the proposed traffic improvements in Springs Road between Awatea Road and Amyes Road for construction in October and November 2004 respectively. In recognition of the limited space available for dairy customers the Committee's approval was conditional on a P.10 parking restriction being installed on the Springs Road frontage of the dairy on the corner of Amyes Road. A copy of the plan relating to this proposal is attached.

Staff

Recommendation: That the parking of vehicles be restricted to a maximum period of ten minutes commencing at a point sixteen metres south west from its intersection with Amyes Road and extending in a south westerly direction for a distance of seventeen metres (17.0 metres).

Chairperson's

Recommendation: That the officer's recommendation be adopted.
