

5. PAPANUI HERITAGE GROUP

Officer responsible Community Advocate	Author Sharon Ogden, DDI 941-5405
--------------------------------------------------	---------------------------------------------

The purpose of this report is to request additional funding for the production of the Papanui Heritage Trail brochure.

The Board may recall providing \$750 to the Papanui Heritage Group in October 2003 for the reprinting of the brochure. The reprinting of the brochure has cost the group \$1094 (see attached invoice). As they have underestimated this cost, the Group respectfully request that the Board consider providing the shortfall of \$344 from 2003/04 Discretionary Funds.

The second edition of the brochure has been very well received and is available at the Papanui Library.

Staff

Recommendation: That the Board provide a further \$344 from 2003/04 Discretionary Funds to the Papanui Heritage Group for production of the Papanui Heritage Trail Brochure.

Chairperson's

Recommendation: That the staff recommendation be adopted.
