(A) REQUEST FOR DELEGATED AUTHORITY

The purpose of this report is to request that the Board grant delegated authority to Phil Clearwater, Lynda Carter and Sue Wells to make a submission on behalf of the Board regarding the Council's proposed alcohol policy.

BACKGROUND

At the Board's meeting held on 27 January 2004 it was resolved that:

"A briefing meeting be held on Tuesday 17 February at 4.30pm, with invited residents' associations and other community boards to receive an explanation of the current policy, community boards' and residents' opportunities for involvement, and how the changes in the proposed new policy would affect that involvement."

A number of issues were identified at the briefing session held on 17 February 2004, and the Board representatives attending that meeting now wish to submit comments on the proposed alcohol policy on behalf of the Board and residents attending that meeting. Submissions close on 23 February 2004.

Staff

Recommendation: That the Board delegate authority to those members of the Board attending the 17 February 2004 briefing session, to make a submission on its behalf regarding the Council's proposed alcohol policy, based on feedback received from residents' group representatives.
