

13. NOTICE OF MOTION: GRANGE STREET

Officer responsible Community Advocate, Beckenham	Author Barbara Ford, Community Advocate, DDI 941-5108
---	---

To consider the following motion, notice of which has been given by Sue Wells pursuant to Standing Order 2.16:

“That the Board reconsider Grange Street for inclusion in the ten year Capital Works Programme.”

The reason for requesting that this be reconsidered is that the Board has an opportunity to refer Grange Street to the Sustainable Transport and Utilities Committee for consideration for inclusion in its capital works programme, based on the grounds that while Grange Street is classified as a local road, it is not performing solely that function.
