

3. BARNETT PARK DRAINAGE COST SHARING SCHEME - HEARING OF SUBMISSION

Officer responsible Greenspace Manager	Author Ken Couling, Team Leader, City Solutions, DDI 941-8936
--	---

The purpose of this report is to arrange a subcommittee of three to hear submissions opposed to certain aspects of the proposed Barnett Park Drainage Cost Sharing Scheme.

BACKGROUND

The Committee considered the proposed cost sharing scheme at its November 2003 meeting.

After the meeting specific information on the scheme was mailed out to over 140 affected landowners and other stakeholders inviting feedback. At the closing date of 30 January 2004, 10 submissions had been received including six who opposed certain aspects of the scheme.

HEARING

At least two of the submitters wish to present their point of view directly to the Committee before it makes a recommendation to the Council. A subcommittee hearing is an appropriate venue for this purpose.

Staff

Recommendation: That a subcommittee of three be appointed to hear submissions on the Barnett Park Drainage Cost Sharing Scheme and report back to the April 2004 meeting of the Parks Garden and Waterways Committee.

Chairman's

Recommendation: That the above recommendation be adopted.
