--	---

The purpose of this report is to seek suggestions for sites to be visited on the proposed forthcoming tour by Board members. The purpose of the tour is to provide an opportunity for Board members to inspect and be updated on major issues and projects affecting the community.

A tentative date for the tour is Monday 8 March at 4.00pm.

To date the following sites have been suggested. Staff will advise the Board of other possible sites at the meeting.

English Park: View upgrade, adventure playground and hall facility.

Brooklands: Dune restoration, wilding gorse broom and pine.

### **Staff**

**Recommendation:** That the Board approve an itinerary and date for the tour.

### **Chairperson's**

**Recommendation:** That the Board visit English Park and Brooklands on Monday 8 March at 4.00pm and that the Waimakariri River be toured at a later date with the Fendalton/Waimairi Community Board.
