

## 2. WATER AND SANITARY SERVICES ASSESSMENT

Mark Christison

Arising from the Council meeting of 7 April 2005 this Subcommittee was delegated the power to review the Statements of proposal for the Draft Water and Sanitary Services Assessments as per the following resolution:

1. *That the following statements of proposal for the draft water and sanitary services assessments be referred to a Subcommittee comprising Councillors Broughton, Buck, Shearing and Wells for review:*
  - *Water Supply,*
  - *Wastewater,*
  - *Stormwater Drainage,*
  - *Sanitary Conveniences,*
  - *Cemeteries and Crematoria.*
2. *That the foregoing Subcommittee be delegated power to review the documents and to incorporate any amendments which it deems necessary, and to then give approval for the documents to be released for public comment under the Special Consultative Procedure as required in Sections 83-89 of the Local Government Act 2002.*
3. *That a hearings panel comprising a representative from each portfolio group be set up to hear submissions on the assessments and report to the Council with its recommendations.*

(Note: **Boy Racers and Noisy Cars** - Councillor Bob Shearing has arranged a key stakeholders meeting in the Mayor's Lounge at 2pm on this subject.)
