Telephone: 941-8656

Committee Secretary
Warren Brixton
Telephone: 941-8439

1. APOLOGIES

2. CITY-WIDE SUBURBAN INTERCHANGE

1-2PM

Presenter: Robert Woods, Transport Planner, Transport and City Streets Unit

This seminar will discuss the development of a suburban bus interchange programme and cover project origins, the concept of network interchanges, the benefits, aims and objectives of the project, the key planning principles for success, and the suggested Council process / timing for identification, prioritisation and development.

Presentation attached.

3. BUS PRIORITY ROUTES

2-3PM

Presenter: Alix Newman, Capital Programme Team Leader, Transport and City Streets Unit

Discussion at this seminar will be on issues surrounding implementation of bus priority corridors. The seminar will introduce the concepts of bus priority corridors as part of public transport strategy, route selection and impacts needed for establishing bus priority, a toolbox of possible priority measures, the potential impacts of priority measures, and the proposed communication and consultation process

CATERING

Afternoon tea will be provided in the Chamber at 3pm.
