

1. Members are invited to identify matters to be addressed progressively by the Committee over the balance of the current term. Other more routine business will continue to be reported to the Committee for its consideration, as required.
2. A similar exercise was conducted in the previous Board term and included the following matters which are still relevant/ongoing now:
 - Merivale traffic/parking management
 - Ring Road – western leg Greers/Graham/Waimairi
 - SH 1 and 73 – four laning programme and dialogue with Transit NZ
 - Bishopdale Shopping Centre
 - Jellie Park Aqualand Redevelopment
 - Local Schools – 40 km/h speed limits
 - Memorial Avenue – landscaping and four laning
 - University of Canterbury carparking – monitor and liaise with University and Riccarton/Wigram Community Board
 - Roading issues in the boundaries – liaison as required with adjoining Boards e.g. Papanui, Greers/Northcote Roads
 - Waterways Enhancements/landscaping/base flow augmentation
 - Cycleways – planting, reviews etc
 - Greenspace Areas – enhancement including amenity plantings/colour etc
 - Breens/Gardiners and Gardiners/Sawyers Arms Roads intersections
 - Site Visits – ongoing programme of visits to parks, waterways etc to best understand development plans and issues, build relationships with sports clubs etc
 - Others??

For discussion.
