

2. REVIEW/SETTING OF BOARD OBJECTIVES 2006/09

The purpose of this seminar meeting is to provide the Board with a range of information to assist the Board with developing its objectives for the period 2006/09.

Staff from the following units will be in attendance to provide presentations on current issues/trends within their own fields of expertise:

- Community and Recreation (covering community development, community engagement and community recreation issues)
- Greenspace
- Transport and City Streets.

A second seminar is to be held on Wednesday 30 November 2005 at 5.00pm, to progress work on developing the Board's objectives.
