

2. PROPOSED NATURAL RESOURCES REGIONAL PLAN (PNRRP)

10AM-11.30AM

Jenny Ridgen will report on the issues affecting the Council's operations and planning activities that will guide staff when they prepare further submissions for the PNRRP. Ground Water Recharge is one of the main issues, so the Council will be briefed on the draft provisions on the ground water recharge zones and how development in the north-west areas of Christchurch might be affected.

Briefing Paper attached.
