Telephone: 941-8112

**1. APOLOGIES**

Councillor Anna Crighton.

**2. DRAFT SOLID AND HAZARDOUS WASTE MANAGEMENT PLAN**

The City Water and Waste Unit will present the Draft Solid and Hazardous Waste Management Plan 2005 including a progress report on meeting Council targets and a list of key actions for discussion. Noteworthy is an option to provide "wheeliebins" for kerbside collection of recyclables and organics. Staff are asking for Council endorsement of the Draft Plan so it can be considered at the 6 October Council meeting.

Presenters: Mark Christison, Simon Collin and Tony Moore

**3. RECOVERED MATERIALS FOUNDATION (RMF)**

RMF will present background information on the current waste management and minimisation programmes in Canterbury, and a future perspective on the major regional and national issues facing the recycling industry and potential advances in resource recovery.

Presenters: Richard Lloyd (CEO) and Andy Pearce (Chairman) of RMF

**4. SCENARIO WORKSHOP : NEW BIOSOLIDS WASTE SYSTEM DESIGN FOR CHRISTCHURCH**

Dr Joanna Goven of the University of Canterbury will present the report that resulted from the recently completed 2-stage public consultation process. Dr Goven will walk the Council through a typical stage 1 workshop format. The presentation will also include the stage 2 workshop recommendations for the Council's consideration. Report for Stage 1 attached.
