On-Site Visit of Specific Sites of Interest

At its Transport & Roading Committee meeting of 28 April 2005 the Committee decided to complete an on-site visit of Dovedale Avenue, and further to that site visit, request a report to address the areas of concern raised in the letter and deputation by local residents.

Rosella Reserve and Kyle Park have also been regularly discussed over the past months. Therefore as per the above decision a site visit has been arranged for the following sites:

- Dovedale Avenue
- Rosella Reserve
- Kyle Park

Both Greenspace and Transport & City Streets Unit staff will be on-site at relevant locations.
