Author:	Brenda Chuo/Steve Dejong

PURPOSE OF REPORT

1. The purpose of this report is to seek the Committee’s recommendation to the Board to approve a “Give Way” control be placed against Hei Hei Road at the Buchanans Road intersection. (refer **Attachment 1**).

EXECUTIVE SUMMARY

2. The intersection of Hei Hei Road and Buchanans Road is an uncontrolled “T” junction where the normal "give way to the right" rule applies. The Council has been approached by a local resident with concerns in relation to the visibility at this intersection.
3. There have been two reported crashes at this intersection in the last four years these were due to loss of control and failure to give way.
4. Buchanans Road is classified as a Minor Arterial Road in the City Plan whilst Hei Hei Road is classified as a Collector Road. Both these roads have a speed limit of 50km/hr.
5. By installing the proposed “Give Way” control and associated limit line, vehicles entering the intersection will be located where motorists are able to obtain a clear view of approaching traffic from both directions, before they are committed to their turn. It will provide motorists with clear delineation and reduce the likelihood of Buchanans Road right turning traffic waiting in the centre of the road.
6. There is adequate visibility for this method of control is considered appropriate. This option would help resolve any issues relating to confusion and corner cutting and will be cost effective. The visibility available will allow for the safe operation of the intersection resulting in only the minimum number of stops necessary. This will produce a safer and more efficient intersection.
7. The Hei Hei Residents’ Association Chairperson was consulted but indicated that the Association has been in recess for 12 months. St Adians Church, on the southeast corner, and the resident on the southwest corner of the intersection were consulted and they too have indicated their support for the proposal.

FINANCIAL IMPLICATIONS

8. The estimated cost of this proposal is approximately \$1,000.

Do the Recommendations of this Report Align with 2006-16 LTCCP budgets?

9. The installation of road markings and signs is within the LTCCP Streets and Transport Operational Budgets.

LEGAL CONSIDERATIONS

10. The Community Boards have delegated authority from the Council to exercise the delegations as set out in the Register of Delegations dated April 2008. The list of delegations for the Community Boards includes the resolution of the installation of Give Way controls.
11. The installation of any signs and/ or markings associated with traffic control devices must comply with the Land Transport Rule: Traffic Control Devices 2004.
