**2. PROPOSED ALCOHOL RESTRICTIONS IN PUBLIC PLACES BYLAW 2009 – BOARD SUBMISSION**

Further to the Subcommittee's meeting on 19 February 2009, consideration to continue on the proposed bylaw.

(Note: Members are asked to please bring their papers with them including the background information emailed on 16 February.)

It will be recalled that at its meeting on 15 December 2008, the Board resolved to grant the Subcommittee power to act, if required, to prepare a submission on the proposed bylaw or otherwise to report back to the Board in February/March if time allowed.

With submissions closing on 2 March 2009, the exercise of that delegation by the Subcommittee, is appropriate.

**3. DRAFT WATER SUPPLY STRATEGY 2008**

Consideration of the draft strategy as previously circulated. Submissions close on 6 March 2009.
