### PURPOSE OF REPORT

1. The purpose of this report is to consider applications for Neighbourhood Week funding and to set in place a process should any late applications need to be considered.

### EXECUTIVE SUMMARY

2. Local community groups, including residents' associations and neighbourhood support groups have been sent information inviting them to apply for the Neighbourhood Week Funding that has been set aside by the Board.
3. Neighbourhood Week is a dedicated week in which individuals and groups are encouraged to get together and get to know one another locally. Neighbourhood Week 2010 is to be held from 30 October – 7 November 2010. Applications for funding close on 3 September 2010.
4. A matrix outlining the applications and staff recommendations will be **separately circulated** to Board members prior to the meeting.
5. Sometimes there is a need to consider late applications for this funding, usually in instances where the applicant has submitted to the wrong Community Board. As the Community Board does not meet again before the end of this term, it is proposed that a subcommittee be established, (with delegated authority), to consider any late applications.

### FINANCIAL IMPLICATIONS

6. The Board has allocated \$2,000 from the Strengthening Communities Fund to assist individuals and groups to run events. It is not the intention of this funding to totally fund events. Those applying for funding are expected to partially resource events themselves either financially or through supply of materials.
