**PURPOSE OF REPORT**

1. The purpose of this report is to seek the Board's recommendation to Council to approve the new times and days for roads currently on the "Register of Prohibited Times On Roads" ("Register").

**EXECUTIVE SUMMARY**

2. At the Council meeting held on 22 April 2010 it was resolved that the existing "Prohibited Times on Roads" be reassessed into the two categories presented at the meeting (refer **Attachment 2**, paragraph d).
3. The Police are supportive of the tool that the Traffic and Parking Bylaw provides them with to control anti-social road user behaviour on roads that have been identified as "problem" areas. The Police also support consistency throughout the city.
4. Prohibited Roads should be categorised into two groups:
  - (a) Group A: Roads that are in industrial areas and have no through traffic function. The days and times are from 10.00pm to 5.00am, seven days a week;
  - (b) Group B: Rural roads that are of a residential nature and/or have some through traffic function. The days and times are from 10.00pm to 5.00am, Thursdays to Monday , and from 10.00pm on days immediately preceding Statutory Holidays to 5.00am on the statutory holiday and from 10.00pm on the statutory holiday to 5.00am the following day.
5. Roads within Spreydon/Heathcote that have existing prohibitions are: Hazeldean Road, Print Place and Craft Place (refer **Attachment 1**). All three of these roads have times and days that differ from the two categories set at the Council meeting on 22 April 2010 (refer to **Attachment 2**) and therefore there is a need to change them.
6. It is the intention of this report to align the times and days of existing prohibitions on roads with those approved by the Council (refer **Attachment 2**, paragraph d).

**FINANCIAL IMPLICATIONS**

7. The estimate for the replacement signage is \$2,400.

**Do the Recommendations of this Report Align with current LTCCP budgets?**

8. The installation of road signs and markings are within the LTCCP Transport and Greenspace operational budgets.

**LEGAL CONSIDERATIONS**

9. Clause 15 (1) of the Christchurch City Council Traffic and Parking Bylaw 2008 provides that "The Council may by resolution specify any road or part of a road and the days and times during which motor vehicles weighing less than 3,500 kilograms are prohibited from being used on the road or part of that road or roads".
10. The installation of any restriction signs and/or markings must comply with the Land Transport Rule: Traffic Control Devices 2004.

**Have you considered the legal implications of the issue under consideration?**
