

11. RESOLUTION TO BE PASSED - SUPPLEMENTARY REPORTS

Approval is sought to submit the following reports to the meeting of the Fendalton/Waimairi Community Board on Monday 2 May 2011:

- Application to the Board's Discretionary Response Fund – Burnside Activities Hub

The reason, in terms of section 46(vii) of the Local Government Official Information and Meetings Act 1987, why the reports were not included on the main agenda is that they were not available at the time the agenda was prepared.

It is appropriate that the Community Board receive the reports at the current meeting.

RECOMMENDATION

That the reports be received and considered at the meeting of the Fendalton/Waimairi Community Board on Monday 2 May 2011.
