## BACKGROUND

### Strengthening Communities Strategy

11. The Council adopted the Strengthening Communities Strategy on 12 July 2007. The Strengthening Communities Grants Funding Programme comprises four funding schemes:
  - (a) Strengthening Communities Fund
  - (b) Small Projects Fund
  - (c) Discretionary Response Fund
  - (d) Community Organisations Loan Scheme
12. For detailed information on the Strengthening Communities Strategy's Outcomes and Priorities please see **Attachment 2**. The specific criteria for the Small Grants Fund is also attached, as **Attachment 3**. Board Objectives have also been used to assess projects and are referenced in the matrix.

### The Decision Matrix

13. Information on the projects is presented in a Decision Matrix, attached as Attachment 1. To ensure consistency, the same Decision Matrix format and presentation has been provided to the Metropolitan Small Grants Fund Subcommittee and all local Small Grants Fund Assessment Committees.
14. Applications are project-based; information is provided that relates specifically to the project for which funding is being sought, not the wider organisation.
15. All applications appearing on the Decision Matrix have been assigned a Priority Rating. The Priority Ratings are:
  - Priority 1** Meets all eligibility criteria and contributes significantly to Funding Outcomes and Priorities. Highly recommended for funding.
  - Priority 2** Meets all eligibility criteria and contributes to Funding Outcomes and Priorities. Recommended for funding.
  - Priority 3** Meets all eligibility criteria and contributes to Funding Outcomes and Priorities but to a lesser extent than Priority 2 applications. Not recommended for funding.
  - Priority 4** Meets all eligibility criteria and has minimum contribution to Funding Outcomes and Priorities; or Insufficient information provided by applicant (in application and after request from Advisor); or other funding sources more appropriate. Not recommended for funding.
16. Staff have used the following criteria to determine whether an application is a Priority One:
  - Impact the project has on the city
  - Reach of the project
  - Depth of the project
  - Value for Money
  - Best Practice
  - Innovation
  - Strong alignment to Council Outcomes and Priorities
  - Noteworthy leverage or partnership/match funding from other organisations or government departments.
17. No ineligible applications were received.
18. Small Grants Fund Assessment Committees have delegated authority from the Council to make final decisions on the Small Grants Fund for their respective wards. The Committee's decisions will be actioned following confirmation the decision meeting resolutions. All groups will then be informed of the decisions and funding agreements will be negotiated where relevant. All funding approved is for the period of September to August each year, therefore grants will be paid out in early September 2012 subject to the receipt of a valid signed funding agreement.
