CHAIRPERSON'S RECOMMENDATION

For discussion.

BACKGROUND

16. In October 2007, the Council adopted the Strengthening Communities Fund operational procedures, which included the process for nominating Key Local Organisations (KLOs), subsequently renamed Key Local Projects (KLPs).
17. Each Board may nominate (KLPs) in its area that are put forward to the Metropolitan Funding Committee for consideration for metropolitan funding.
18. The agreed process to determine if a “local” funding application should be processed as a KLP is detailed as bullet point 16 in the report that was adopted by the Council on 4 October, 2007:

The Metropolitan Funding Committee will make KLP decisions based on affordability and the following priorities:

- Strengthening Communities Strategy Principles and Goals;
 - Funding outcomes and priorities as set out in Strengthening Communities Strategy;
 - Alignment to local Community Board objectives;
- AND
- Projects deliver benefits to the city outside of the local Board area
 - Key community issues contemplated under Goal 2 of the Strengthening Communities Strategy.

19. The process for considering KLPs is as follows:
 - i) Community Boards nominate and priorities their KLPs and make a recommendation to the Metropolitan Funding Committee.
 - ii) The Metropolitan Funding Committee makes decisions on Board recommended KLPs.
 - iii) Successful KLPs are allocated funding from the Metropolitan Strengthening Communities Fund.
 - iv) Unsuccessful KLPs are returned to the Community Board for consideration under the local Strengthening Communities Fund.
20. Community Boards are advised that where candidates for KLP funding consideration are successful in receiving funding from the Metropolitan Funding Committee, then there can be no further funding call on the Board for that project.
21. This is also the case, where a successful candidate is funded to a lower level than has been recommended by the Board. This reflects the “funding constraints” criteria agreed by Council in Appendix F of the 4 October 2007 report which states that *“Groups receiving funding at a Metropolitan level may only receive local level funding if the project is specifically local and no portion of it has been funded at the Metropolitan level”*.
22. Previous KLPs for this Community Board are:
