

1. DEPUTATIONS BY APPOINTMENT

1.1 HORSESHOE LAKE RESERVE MASTER PLAN

Peter Davidson was in attendance concerning the proposed Horseshoe Lake dog park.

Mr Davidson noted that the majority of adjacent residents had signed a petition against the siting of the dog park close to a residential area. He did not see any justification for moving the dog park if the proposed BMX park is not to be proceeded with.

The Board's decision is recorded under Part B, clause 2 of this report.
