

3. DEPUTATIONS BY APPOINTMENT

(d) **Tony Spowart, Transit New Zealand**

Mr Tony Spowart from Transit New Zealand gave an oral report on work being carried out in the Shirley/Papanui community, as follows:

SH1/SH74 Main North Road/Johns Road, Belfast. Traffic signals, including pedestrian lights, currently being installed. Work to be completed before Christmas 2002.

Prestons Road/Main North Road. Relocation of pedestrian crossing. Hope to complete within current financial year.

Styx Overbridge duplication, effectively joining the four-laning from Belfast to Redwood. Currently going through Resource Consent Process and hoped to go to tender early 2003.

QEII Drive/Main North Road, extending turning lanes.

State Highway Review – SH74 to continue into QEII Drive. Cranford and Barbadoes Streets will be restored to City control.
