

12. MALCOLM AVENUE – SAFER ROUTES TO SCHOOL KERB BUILD OUT

Weng Kei Chen (Asset Policy and Asset Renewal Engineer) spoke to a report from Lorraine Wilmshurst (Roading Projects Consultation Leader) informing the Board on the results of consultation and seeking approval to proceed with design and construction.

The Board **resolved**:

1. That the Malcolm Avenue Safer Routes to School project proceed to design and construction.
2. That with future projects of this type staff assess the feasibility of cost comparisons relative to tiling and planting.
