

6. RESIDENTS' ASSOCIATION REPRESENTATION IN ARANUI

A report from the Aranui Community Development Adviser provided the Board with an update on the possible disestablishment of the Wainoni/Aranui Residents' Association and Otakaro/Wainoni Residents' Group, and sought the Board's support for the newly formed Aranui Community Trust to be recognised as the official residents' group. The Board **decided**:

1. That staff continue to assist the Wainoni/Aranui Residents' Association and the Otakaro/Wainoni Residents' Group to complete their formal disestablishment.
2. That the Board support recognition of the Aranui Community Trust as the official residents' association for the area of the Aranui Renewal Project.
3. That staff hold discussions with the Aranui Community Trust and adjacent residents' associations about their boundaries and report back to the Board with defined boundaries.
