

4. RUBBISH FREE PARKS

A report from the Parks and Waterways Planner and the Plains Parks and Area Head Ranger sought comments from Community Boards on the rubbish free parks proposal, prior to consideration of the report by the Parks, Gardens and Waterways Committee. The Board **decided** to support in principle the concept of rubbish free parks in Travis Wetland and Bottle Lake Forest Park and that a public education campaign and a bin reduction campaign be put in place at the same time.

[Chrissie Williams and Don Rowlands requested that their votes against this resolution be recorded.]
