

## 5. PARKS AND WATERWAYS CAPITAL PROGRAMME 2001/02

The Board **received** a report setting out the end of financial year position in respect of Parks and Waterways Capital projects undertaken in the community during 2001/02.

Arising from its consideration of the information, the Board further **decided**:

1. That in reaffirming its policy of perusing all landscape plans prior to implementation, the Board asks the Parks and Waterways Unit to report on the status of current landscaping plans for the Wairarapa Stream/Jellie Park and Upper Styx River projects.
2. That a report be provided to the November meeting of the Works, Traffic and Environment Committee on the Council's policies regarding artwork features, the provision of bridges and the procedures involved in the administration and budgeted expenditure of reserve contribution monies associated with subdivision developments.
