

5. **ADVISORY GROUP ON URBAN ECOLOGY:
LIAISON BETWEEN ISAAC CENTRE FOR NATURE CONSERVATION
LINCOLN UNIVERSITY AND CHRISTCHURCH CITY COUNCIL**

The Committee considered a report from the Infrastructure and Facilities Policy Leader (Allan Watson) which signalled the formulation of an Urban Ecology liaison and co-ordinating group representing the interests of the Council and Lincoln University and also with representation from Environment Canterbury.

The Committee **received** the report and **decided** that an annual seminar be held to receive progress report(s) on the outcomes of the group's work.
