

9. DEPUTATIONS BY APPOINTMENT

(a) Ms Vonnie Alexander

Ms Alexander attended and spoke on behalf of thirteen ratepayers in Karen Lane, Beckenham regarding the Council's policy on the maintenance of services in private lanes.

Ms Alexander tabled a written copy of her submission which sought a re-examination of the Council's policy on the maintenance of services in private lanes with a view to the Council undertaking maintenance on a similar basis to that on public roads.

The opportunity was taken for Councillors to ask questions of Ms Alexander and her submission was considered in association with Clause 13 of the agenda relating to responsibility for maintenance and renewal of services located in private rights-of-way.
