

12. GLOUCESTER STREET P5 LOADING ZONE

The Committee considered a report seeking approval to change an existing 'P5 At Any Time' parking restriction on the north side of Gloucester Street to a 'P5 Load Zone At Any Time'.

After discussion it was **decided** that staff be asked to investigate the possibility of relocating the nearby bus stop to the 'P5' area to provide a more appropriate environment for the significant number of school children who utilise this bus stop.
