

15. SOLID WASTE BUDGET – DEDICATED FUND FOR WASTE MINIMISATION

The Committee considered a report from the Director of Finance, Bob Lineham, responding to the 16 July 2002 Council resolution seeking advice on the implications for the Council's budget of the formation of a dedicated fund for waste minimisation activities. This report has also been considered by the Strategy and Finance Committee and is reported to Council in Clause 2 of the report of that Committee (which contains the recommendations of both Committees) for decision.

The Committee **decided**:

1. That the report be received in satisfaction of clause 3 of the Council resolution of 16 July 2002.
2. That the proposals set out in clauses 1 and 2 of the resolution, as a package, be confirmed, subject only to the conditions relating to comprehensive public consultation and information set out in clause 1(a) and the revision of the waste plan set out in clause 1(b).
3. That the interest charges in respect of debt servicing on the Council's capital contribution to Transwaste Canterbury Limited should be a charge against the Waste Minimisation Fund.

(Councillor Helen Broughton requested that her vote against the above decision be recorded).
