The purpose of this report is to seek Council approval to the dedication of this link strip as road. The property at 38 Shortland Street owned by Allstor Self Storage (NZ) Limited has a 12m<sup>2</sup> link strip on its north-west boundary, fronting Tahuna Street.

### BACKGROUND

The link strip, described as Lot 4 DP 57680, is held by the Council as road reserve in balance certificate of title 236/140 and has the effect of preventing legal access to the property owned by Allstor Self Storage (NZ) Limited. Solicitors for the developer, Mangers Contracting Limited, have confirmed that their client is to be reimbursed by Allstor Self Storage (NZ) Limited for a proportionate share of the construction cost of Tahuna Street and accordingly request the Council to dedicate the link strip as road. A similar dedication of a link strip as road in Tahuna Street, being Lot 2 DP 57680, was approved by the Council on 24 October 2002.

The proposal is supported by the City Transport Unit and the Council's costs in this matter have been paid by Mangers Contracting Limited.

**Recommendation:** That the Council adopt the following resolution:

Pursuant to the provision of Section 111 of the Reserves Act 1977 the Christchurch City Council hereby dedicates as road all that parcel of land containing 12m<sup>2</sup> being Lot 4 DP 57680 contained in balance CT 236/140, Canterbury Land District.
