

#### 14. SUPPLEMENTARY ITEMS

The Chair sought approval to introduce supplementary reports on the following topics:

1. YMCA Bishopdale
2. Extension to Contract for Supply of Cleaning Services for Council Libraries
3. Local Government New Zealand Workshop - Designing Elected Member Remuneration Model

The reason why the reports were not included on the main agenda and why they could not wait for the next meeting of the Committee were explained to the Committee.

It was **resolved** that the reports be received for consideration at the present meeting.
