

3. BURWOOD LANDFILL ACCESS ROAD - RESOURCE CONSENT APPLICATION

The Resource Planner, Solid Waste, informed the Board of authorisation given by the Council to lodge a resource consent application to alter the alignment of a portion of the access road to the Burwood Landfill. Representatives from the Waitikiri Residents' Group were in attendance to comment on the report. The Board **decided**:

1. That the information be received.
2. That the Board request a joint meeting with the Sustainable Transport and Utilities Committee when the Burwood Landfill Access Road is considered further.
