

5. NEW BRIGHTON STREET CLEANING

The Maintenance Engineer provided information to the Board and addressed concerns about the adequacy of street cleaning in the central New Brighton area. The Board **decided:**

1. That the information be received.
2. That an audit be done by the City Transport Unit of street cleaning in the central New Brighton area and additional cleaning and litter bin emptying be undertaken prior to any major events there.
3. That the Greenspace Unit be requested to provide information on the cleaning arrangements on the beach side of Marine Parade.
