

3. HALTON STREET - KERB AND CHANNEL RENEWAL (PAPANUI ROAD TO WATFORD STREET)

The Roading Consultation Leader (Lee Kelly) sought the Board's approval to undertake consultation on the concept plan for the Halton Street kerb and channel project.

Staff were asked to investigate drainage related issues in the vicinity of the Papanui Road intersection.

The Board **decided**:

1. That the Halton Street kerb and channel renewal plan TP 163901 be approved for consultation.
2. That the consultation document include reference to the Council's cost sharing policy for undergrounding and details of the proposed street tree options and landscaping.

(Note: George Hampton declared an interest in this item and withdrew from the discussion and voting thereon.)
