

9. STATION ROAD/FLAVELL STREET/MARSDEN STREET/ROLLIN STREET

The Board considered a report on the outcome of consultation on a proposal to renew the kerb and channel, footpaths and grass berms in Station Road, and create a community focal point at the intersection of Station Road/Flavell Street/Marsden Street and Rollin Street.

The Board **resolved**:

1. That the Station Road kerb and channel, and the Station Road/Flavell Street/Marsden Street and Rollin Street community focal point project proceed to final design, tender and construction.
2. That information be sought from the City Transport Unit on the heritage features to be incorporated into the community focal point project.
