

14. **BROOKLANDS PLAYCENTRE**

The Board received a report seeking funds to enable the Brooklands Playcentre to add a play kitchen to their Centre.

The Board **resolved**:

1. That the request be declined.
2. That the Brooklands Playcentre apply for funding from pub charities, and that the Playcentre be advised to reapply to the Board if that option is unsuccessful.

(Myra Barry requested that her vote against this resolution be recorded.)
