##### **Jane Barnes, MacFarlane Park Kindergarten**

Jane Barnes, a teacher at MacFarlane Park Kindergarten spoke to the Board regarding a fence which needed replacing at the Kindergarten. She stated that the fence was in disrepair, was unsafe, children could not see out, and that unauthorised persons could enter the property. As a result the kindergarten had suffered vandalism and equipment loss. The Kindergarten and Committee had spent a lot of time trying to obtain funding to replace the fence, and sought assistance from the Board. They wished to see a pool fence installed.
