

12. MAIN ROAD AMENITY PLANTING

The Committee considered a report from Lorraine Wilmshurst, Consultation Leader, City Transport Unit informing the Committee on the progress made on amenity planting along Ferry Road, from the City to Sumner and the proposed consultation plan for this. Details of the sections of Ferry Road and the treatment and consultation posed for each section were provided in the report and large scale plans of the proposed planting were tabled at the meeting for the information of members.

The Committee received the information and **decided** that the plan, with special reference to the beautification of the causeway, be approved subject to the planned consultation process.
