

18. SUPPLEMENTARY REPORT

The Deputy Chairperson sought approval to introduce a supplementary report relating to 'Requests for Information (RFI) no 03/04-58 Options to Meet a Range of Christchurch City Council Solid Waste Stream Services and Objectives'.

The reasons why the item was not on the agenda and why the matter could not wait until the next meeting was explained to the meeting.

The Committee **resolved** that the report be received and considered at the present meeting. Prior to consideration of whether to receive this report, at the invitation of the Committee, the General Manager Regulation and Democracy Services attended and briefed the Committee on the implications of this report in terms of conflicts of interest for some Committee members.

(Note: Councillors Sally Buck, Denis O'Rourke and Ron Wright declared an interest in respect to this clause and retired prior to its consideration at 11.28am and 11.40am respectively.)
