

## 9. HAMPSHIRE STREET NEIGHBOURHOOD IMPROVEMENT PLAN

The Roding Projects Consultation Leader sought Board approval to proceed to final design, tender and construction of the Hampshire Street Neighbourhood Improvement Plan. The Board **resolved**:

1. To approve the Hampshire Street Neighbourhood Improvement Plan for final design, tender and construction.
2. To approve the parking restrictions as set out in the Senior Roding Consultation Leader's report.
3. That a report be provided outlining options for a pedestrian crossing facility adjacent to Wainoni Park and that the report also address Hampshire Street/Lyndhurst Crescent drainage issues and Greenspace Unit plans for Wainoni Park in this area.

[Note: Gail Sheriff recorded her vote against clause 1 of the decision.]
