

#### 4. YELLOW FLAG IRIS IN LOWER AVON RIVER REACHES

The Parks and Waterways Area Advocate informed the Board of maintenance procedures planned, and currently in place, to manage the containment and eradication of Yellow Flag Iris in the lower reaches of the Avon River. The Board **decided:**

1. That the information be received.
2. That an information leaflet be circulated to residents in the vicinity of the lower reaches of the Avon River outlining the works to be carried out to contain and eradicate Yellow Flag Iris.
