

5. LEASING – SOCKBURN TESTING STATION

The Board's approval was sought for the early surrender and granting of a new lease under a different term to On Road New Zealand of the Sockburn Testing Station building at 149 Main South Road.

It was **resolved** that the Facility Assets Manager be delegated authority to surrender the existing lease and enter into a new lease with On Road New Zealand for a term of five years as generally outlined in the officer's report.
