

5. LOCAL GOVERNMENT ACT 2002 CODE OF CONDUCT

The Board received and considered a report by Peter Mitchell, General Manager Regulation and Democracy Services. The purpose of the report was to set out the background to the recently adopted Code of Conduct by the Council and to advise Community Boards that the Council had recommended that Community Boards adopt a code of conduct, adapted for Community Boards.

The Board **resolved** that Yvonne Palmer and Dennis Hills represent the Board on the Joint Community Board Code of Conduct Working Party.
